PETITION TO WITHDRAW HOLDING OF ABANDONMENT

Commissioner for Patents
P.O. Box 1450

Box: Petitions

Attn: Cynthia Nessler, Legal Advisor, Office of Legal Administration

Sir:

Applicants filed a change of correspondence address in the USPTO in connection with the above application on February 6, 2002. Thereafter, applicant received a notice of allowance in this application, which was correctly mailed to Heller Ehrman on March 6, 2003. Applicant then paid this issue fee in the above-identified case on June 3, 2003.

Applicant did not receive any further communication from the USPTO, and was awaiting the issue notification of patent grant. During a status inquiry of the USPTO in early April 2004, applicant's attorney was advised that the USPTO had held this application to be abandoned. Applicant's attorney also was advised that on September 30, 2003, a Notice to File Corrected Application Papers was mailed from the USPTO to the wrong correspondence address. Receiving no reply to this Notice, the USPTO issued a Notice of Abandonment on November 4, 2003, and also mailed this notice to the wrong correspondence address.

Applicant hereby petitions the USPTO to accept the attached Response to the Notice to File Corrected Application Papers, and to withdraw the holding of abandonment.

Applicants have not submitted a fee as this Petition was necessitated by an error by the USPTO. However, should fees be necessary in connection with the filing of this paper, the Commissioner is hereby authorized to charge Deposit Account No. 08-1641 for any such fees.

Attached are documents as follows:

- (1) A true copy of the change of address filed on February 6, 2002.
- (2) A true copy of the Notice of Allowance addressed to Heller Ehrman dated March 6, 2003.
- (3) A true copy of the Notice to File Corrected Application Papers mailed on September 30, 2003 to the incorrect mailing address.
- (4) The Declaration of Bonita Huber stating (i) that she reviewed the incoming mail log at Heller Ehrman from September 30, 2003 through November 10, 2003 and (ii) that Heller Ehrman did not receive the Notice to File Corrected Application Papers or the Notice of Abandonment from the USPTO or the addressee.
- (5) A true copy of the November 4, 2003 Notice of Abandonment that was also mailed to the incorrect mailing address.

Inventor(s): Peter Law.

Attorney Docket No. 37794-0003

It is requested that prompt and favorable action be taken on this petition, and that the USPTO promptly notify the undersigned attorney of record of the status of this application.

DATE MAILED: 03/06/2003

Notice of Fee Increase on January 1, 2003

If a reply to a "Notice of Allowance and Fee(s) Due" is filed in the Office on or after January 1, 2003, then the amount due will be higher than that set forth in the "Notice of Allowance and Fee(s) Due" since there will be an increase in fees effective on January 1, 2003. See Revision of Patent and Trademark Fees for Fiscal Year 2003; Final Rule, 67 Fed. Reg. 70847, 70849 (November 27, 2002).

The current fee schedule is accessible from: <http://www.uspto.gov/main/howtofees.htm>.

If the issue fee paid is the amount shown on the "Notice of Allowance and Fee(s) Due," but not the correct amount in view of the fee increase, a "Notice to Pay Balance of Issue Fee" will be mailed to applicant. In order to avoid processing delays associated with mailing of a "Notice to Pay Balance of Issue Fee," if the response to the Notice of Allowance and Fee(s) due form is to be filed on or after January 1, 2003 (or mailed with a certificate of mailing on or after January 1, 2003), the issue fee paid should be the fee that is required at the time the fee is paid. If the issue fee was previously paid, and the response to the "Notice of Allowance and Fee(s) Due" includes a request to apply a previously-paid issue fee to the issue fee now due, then the difference between the issue fee amount at the time the response is filed and the previously paid issue fee should be paid. See Manual of Patent Examining Procedure, Section 1308.01 (Eighth Edition, August 2001).

Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at (703) 305-8283.

Dear Patent Business Customer:

The United States Patent and Trademark Office ("Office") is now permitting and encouraging applicants to voluntarily submit amendments in a revised format as set forth in *AMENDMENTS IN A REVISED FORMAT NOW PERMITTED*, ____ *Off. Gaz. Pat. Office* ____ (February 25, 2003), currently available on the USPTO web site at <http://www.uspto.gov/web/offices/pac/dapp/opla/preognotice/revamdtprac.htm>. The revised format permits amendments to the specification and claims to be made in a single marked-up version; the requirement for a clean version is eliminated. Attached, you will find a flyer with information and instructions regarding the procedures to be used to comply with the revised format. The flyers are being inserted with out-going Office actions mailed during the period of February 20, 2003 - March 31, 2003.

The revised amendment format is essentially the same as the amendment format for the specification, claims, and drawings that the Office is considering adopting via a revision to 37 CFR 1.121 (Manner of Making Amendments). The revision to 37 CFR 1.121 (if adopted) will simplify amendment submission and improve file management. This proposed revision and others necessary to facilitate a gradual transition to the use of an Electronic File Wrapper (EFW) will be set forth in a Notice of Proposed Rule making (NPR), expected to be published by March 2003. After consideration of public comments, the Office anticipates adopting a revision to § 1.121, following publication of a Notice of Final Rule making (NFR), expected by June 2003, at which point compliance with revised § 1.121 will be mandatory.

The Office will continue to accept your amendment submissions in the revised format during the voluntary period, which will extend up to the effective date of final revisions to § 1.121. The Office also encourages your feedback on the proposed revised amendment format and other changes set forth in the NPR, expected to be published by March 2003.

For assistance: Any questions regarding the submission of amendments pursuant to the revised practice should be directed to Office of Patent Legal Administration (OPLA), Legal Advisors Elizabeth Dougherty (Elizabeth.Dougherty@uspto.gov), Gena Jones (Eugenia.Jones@uspto.gov) or Joe Narcavage (Joseph.Narcavage@uspto.gov). Alternately, you may send e-mail to "Patent Practice", the OPLA e-mail address that has been established for receiving queries and questions about patent practice and procedures or telephone OPLA at (703) 305-1616.
